GSA Online Acquisition Tools

GSA Advantage!®

Find millions of products and services, and simplify your procurement process at one of the largest electronic U.S. Government marketplaces.

GSA Advantage!® is the premier online shopping tool for federal purchasing agents. It enables buyers to research and purchase products and services from the convenience of their computers. With more than 6 million items and 12,000 vendor catalogs available, GSA Advantage! provides a wide variety of options to meet almost any requirement.

Just look at all the things you can find at GSA Advantage!:

- IT Hardware & Software
- Office Products & Supplies
- Furniture
- Scientific Products & Testing Equipment
- Tools & Hardware
- Paints & Chemicals
- Professional Services
- Telecommunications Products & Services
- Industrial Products
- Specialty Products

With GSA Advantage!, you can search for items using keywords such as the Special Item Number (SIN), National Stock Number (NSN), manufacturer part number or contractor or manufacturer name. You can compare features, options, prices and delivery choices to determine the best value. You can check your order status and history, and even forward carts and reorder. Best of all, you can place your orders directly online, 24 hours a day, 7 days a week.

Even for users without purchasing authority, GSA Advantage! can be a valuable resource. Anyone is free to "browse" the system, conduct market research and assemble shopping carts. GSA Advantage! even allows users to send the cart, via email, to another person with purchasing authority.

GSA Advantage! is especially valuable to personnel working overseas who do not have easy access to products and services locally.

e-Buy

Speed up the RFQ process with the latest technology for online tools.

e-Buy is the innovative Internet-based Request for Quote (RFQ) tool for federal purchasing agents. Buyers can create RFQs for any of the products and services offered on GSA Multiple Award Schedules. Requirements are posted online for review by all Schedule vendors that have been awarded the Schedule/Special Item Number (SIN).

e-Buy brings unmatched versatility right to your desktop. Use it for finding services and sources of supplies, complex requirements, large quantity purchases, Blanket Purchase Agreements (BPAs) and big-ticket items. e-Buy even meets DoD Section 803 requirements. All the information you need to determine best value is on e-Buy.

e-Buy is simple to use. First, find the category of product or service you want to purchase. Next, select the vendors you want quotes from, enter RFQ requirements and specify the time frame the RFQ will remain open. Your vendors will receive an email notification of the RFQ and send you a quote. Then you just review the quotes and make your best-value purchasing decision.
