## GSA TRAINING SEMINARS

Customer Service Directors in the following regions will conduct FSS Information Seminars for local customers. These seminars are offered to Federal Government employees and military personnel who are interested in learning about GSA's ordering mechanisms: *GSA Advantage!*™, Federal Supply Schedules, and our Customer Supply Centers. Additional topics covered could include Personal Property, Fleet Management, Travel and Transportation, Environmental Solutions, NIB/NISH/JWOD, and more! The following are tentative dates and locations. Exact dates and locations will be announced in regional mailings. Seminars are free, however, lodging and transportation, if required, are the responsibility of the attending agency.

The following color-coded map and corresponding color key provides you with GSA's regional customer territories and their Customer Services Directors.

It's easy to use! Just find your state on the map and use the color key to identify which region is responsible for that location. Then page through the following color coded listing to determine which customer service director can assist you with a FREE FSS Information Seminar in your area.
